

Don't waste the future,

YAŞAR UNIVERSITY

Design it!

CIRCULAR ECONOMY

THESIS AND NON-THESIS
MASTER'S PROGRAM

APPLY NOW!

A PIONEER IN TÜRKİYE

The first program in Türkiye initiated by the Department of Economics at Yaşar University.

SUSTAINABILITY EXPERTISE

The program is unique and one of a kind in Türkiye supported by EU standards.

SCHOLARSHIP OPPORTUNITIES

100%, 50% and 25% scholarships are available for **21** students.

A circular model is no longer an option — it's essential.

The future belongs to those who use resources efficiently, think systemically, and create value for both people and the planet.
